LEFT TO RIGHT: Carol Spinharney, Margie Ladd, Pat Neumann, Jane Harrington, and Sue Hepfinger at the Senior Class Tea.
Dear Alumnae,

“The spirit of our White and Blue, the spirit of Notre Dame, is Harm for None and Help for All, our Patron’s glorious claim. Inspired by Faith and Loyalty, United in Mary’s Name, we pledge our Hearts in grateful Love, to you dear Notre Dame!”

A good number of us older Alums didn’t have this great song when we were in school. It was only later that it came to be, being born from the energy, grace and dedication that permeated the halls of Notre Dame Academy since its beginning in 1926. We learned it quickly as the words were already in our hearts and in our actions.

When I meet many of you in the course of time, I am always inspired by who you are and how you have made a difference in the lives of your families, your churches, your ministries and the greater world. Helping all and harming none is what you do in being spouses, mothers, grandmothers, companions, teachers, nurses, receptionists – just to name a few positions you have held and hold today.

You have been faithful and loyal to each other, to the Sisters and to the education you received in the Notre Dame tradition. You have walked with each other in many joys and sorrows, in challenges and successes, in the many transitions in your lifetimes. This is the strength of the Unity we carry with Mary our Mother who guides us to be women of Faith and Love. I thank you for your witness! You make us, the Notre Dame Sisters – both your classmates and your teachers – very proud of you. THANK YOU!

In his letter, Scot Adams announces his retirement as Vice President for Advancement at the end of June. Scot has been an inspiring presence on our staff and has led us well in many aspects, especially in strengthening our future planning. He has set a wonderful stage for his successor, Sandra Koch, who is presently serving as Communication and Events Coordinator with us. Sandra will begin her new position on July 1. You will enjoy working with her energetic spirit.

Once again, at our reunion, we welcome the opportunity to renew our friendships, tell new stories, and be refreshed to take the next step God has in mind for us. Know that we hold all of you and all of your loved ones in prayer each day and ask God to bless you with all that you need at this time in your life. God bless you abundantly.

In Mary’s name,

Sr. Margaret Hickey, ND ‘58
Provincial

VICE PRESIDENT OF ADVANCEMENT

Dear Alumnae,

The tradition of the Notre Dame Academy annual all-class reunion continues. These days, what with Facebook, Snap Chat, Twitter and social media abounding, our connectedness may feel a bit stilted and cold. This decades-old event, in the flesh and blood, draws people together who recall some of the best days of their lives in a way that renews friendships and connections. It is live. It is real. It is very human.

So, welcome, and enjoy yourself this evening and beyond. I hope some of the stories bring smiles to your faces even as recognition of some of the losses may bring tears. A high school experience so often is the beginning of these lifelong meaningful events.

I will be retiring shortly to begin my next chapter in life. I look forward to many new and happy experiences – and nine and one half g’kids will keep me busier than I may want at times. That said, I leave the Notre Dame Sisters with mixed feelings. Like you, some of the best years of my life have involved many of these good women. My work was not with the high school as much as through their dedicated commitment to helping the poor. I worked for thirty-one years at Catholic Charities and it seems every time I turned around, a Notre Dame Sister was with us trying to make the world a bit better for our neighbors.

Like you, I expect to continue to be around from time to time to share in their charism and values. Their spirit renews mine – and that is good.

I expect to continue to support the Notre Dame Sisters, too. And, in one of my last official acts in my current role, I sincerely hope you will join with me to support the Notre Dame Sisters in ways that make great sense for you. This may include naming them in your will, turning the proceeds of life insurance no longer needed to them, or continuing with your support of their appeals and annual Celebration of Spirit dinner. Should you need assistance with any of this, please contact the Advancement Office.

Thank you for your encouragement over the years and for your support of the Notre Dame Sisters.

Peace,

Scot Adams, Ph. D.
Vice President for Advancement

A MESSAGE FROM THE PROVINCIAL
Please join us to celebrate the Notre Dame Sisters and to thank SCOT ADAMS for his dedication these past years to the Notre Dame Sisters.

July 26th, 2019
5:00 PM
Notre Dame Housing
3501 State Street

Thank you for those that helped make May 22nd, Omaha Gives, a huge success for the Notre Dame Sisters!

Several Sisters created “Cheer Pages” for Omaha’s 24-hour day of giving. They loved seeing donations from past students, associates, friends and supporters.

With your help, we raised over $24,000 in one day. The Sisters continue their commitment to helping those with unmet needs and this support shows how we can come together!

SAVE THE DATE FOR NEXT YEAR’S GIVING DAY ON MAY 20, 2020!
The names in this book were submitted on or before May 31, 2019. We are only able to share names that we have been informed of. When a death has occurred in your family or that of a fellow alumna, please let Sr. Josita Hanus in the Advancement Office know so we can enter them into the Memorial Association.

CECILIA (CAHOJ) ALLEN

I will be celebrating my 97th birthday in September! I have three children, ten grandchildren and 24 great grandchildren and they are all begging that I live to be 100!!

I am living with my daughter and son-in-law on a farm by Colby, KS. I love KU basketball so my son and two of his children helped me make the six-hour trek to the east end of Kansas in February.

My granddaughter and a friend made a big sign for me announcing my age and how many miles I traveled and that I was the biggest KU Jayhawk fan. I got on the Jumbotron twice and a standing ovation, as well. After the game, I met several of the players. I’ve never had so much attention!

Prayer is my number one priority. I love EWTN. I’m blessed with enough time to pray often as well as read many spiritual books.

Otherwise, I enjoy playing cards and I also teach my grandchildren to read since I was a school teacher for 41 years!

Also, I ask for prayers for my sister, Agnes Cahoj Sabatka (ND Alum 1944?). She is in a rehab center in Colby, KS, now. She broke one leg and went to the hospital for it, fell and broke the other leg.

JEAN (DELEHANTY) OLSON

I sold my home in Portland Oregon and moved to a suburb called Lake Oswego in January of this year. It was hard to leave my large home and move to a one-bedroom apartment for independent living.

There is daily mass, food and other conveniences and if I need assistance it is available to me.

I have six children that live nearby, 14 grandchildren and 15 great grandchildren!

I feel God has blessed me very much with good health and I ask the Notre Dame Alumnae to remember me in prayer as I pray for all everywhere.

SOPHIA DRZAIC

I am 88 years old and live alone in an apartment on a very strict budget. Pension check to pension check! I have health problems and I have to be careful when I walk. I still drive but only in the daytime, my night vision is not good. I only went to Notre Dame for my senior year, but it was a great year!

1949

JUDY (SCHAFFART) GUBBELS

The new turn in my life this past year has been moving from my home of 51 years to an apartment at Immanuel Village. It has been a good move for me because of mobility issues. I stay in contact with some of my classmates and I hope to come to the reunion if my health prevails.

GEORGIA (CUBRICH) GREGG

Dick and I live in La Vista, Ne and will be celebrating our 57th anniversary in September.

We have two children, three grandchildren and one great grandchild and they all live nearby. I am an avid bridge player and I enjoy working on dollhouses. I have a ‘57 Chevy and go to car shows in the area during the summer.

I still see many of the girls from our class as we get together once a month and have been on lots of fun trips together.
1962

PATRICIA (WRIGHT) YOUNG

Hello everybody, I’m not doing too much just trying to keep busy. My husband passed away from thyroid cancer seven years ago. I had cancer, but I am now eight years cancer free! I keep busy with my son and daughter, six grown grandchildren and eight great grandchildren. I visited Alaska last September and it was a wonderful experience and I recommend Alaska if you get a chance! I will not make it to the reunion, as I am volunteering that day.

1963

JEAN (MAUREEN) HEgartY

I have been living in Beloit, WI on Rock River for 43 years. I taught English full-time until 2006, substituted for eight years afterwards and then retired in January of 2018. I have two children. My son is a carpenter working in Madison, WI and my daughter is a doctor of Internal Medicine working in Libertyville, IL. In my time, I help a dear friend three to four days a week with ‘senior-care’, I attend a Women’s Bible Study and Prayer Group twice weekly, I enjoy feeding and journaling on migrating birds and I love gardening.

1964

JANE SCHAFFART-GUTCHEWSKY

Over the past ten years of retirement, my husband and I have enjoyed seeing most of the country on bus tours with other seniors. That has been a fun-filled adventure. In the past year, we moved to Sunridge Village, an active independent retirement community in our former neighborhood. My husband requires more help due to his health issues, but I am still able to volunteer at our local homeless shelter and the St. Vincent de Paul stores each week. We both feel deeply blessed and are grateful for all of life including my happy memories of dear old Notre Dame Academy!

1965

SHEILA (JONES) JOHNS

I finally retired in June of 2018. Now I enjoy more time for gardening, travel and family. My two daughters live nearby and have given me six grandchildren and five great grands! I volunteer at Omaha Performing Arts and the Omaha Community Playhouse. Spending this winter in Mexico was certainly a blessing as the weather here was so bad. I do continue with creative work doing photography and painting and pencil drawings. Once again hoping to visit with ’65 classmates next year. Good Health and God Bless to all of you.

1967

PAT (HOLEWINSKI) SEXTON

This year has been the most exciting of my entire life. I had the opportunity to go to Israel thanks to the generosity of a friend. We walked the same paths that Jesus walked some of which were the original stones. We were there for 14 days, we walked the Via Delorosa carrying a 40-pound cross on Ash Wednesday ending at the Church of the Holy Sepulcher. We rode a boat in the Sea of Galilee and some were baptized in the Jordan River. It was a life transforming experience.

My husband and I celebrated our 50th Wedding Anniversary and this Thursday we embark on our very first cruise. We are going to Cuba. WOW what a year we have had. God is good all the time!!!

NANCY SUE (CATIANO) BLAKENEY

I finally made the move to Florida! I transferred with Macys, where I worked for 28 years. It was a hard move at 70 years old, but I could no longer take the cold weather! I feel like I am on a permanent vacation!

MARY ELLEN (FREBERG) HULSTEIN

I graduated from Creighton University in 1973 with a degree in Nursing. I enjoyed working in a variety of areas & positions. I retired October 2018. My last position was working as a volunteer Faith Community Health Parish Nurse.

MARILYN (HENDERSON) RAYMER

My husband Joe and I celebrated our 47th wedding anniversary in April and we have three children and two darling grandchildren.

I retired in 2016 after working 28 years as the Food Service Manager for Creighton Prep High School. In October 2013 I was inducted into the Creighton Prep Hall of Fame. What a privilege and an honor!

Last April 2018 was a very trying time. I was diagnosed with breast cancer and I had a double mastectomy with reconstruction. I am healing and doing well with God’s blessings.

I enjoy oil and acrylic painting and I recently had my paintings showcased and sold several of my paintings at a local winery in Iowa. Besides that, I stay active babysitting and volunteering at my granddaughter’s grade school and enjoy working in my flower garden and bird watching.

1969

NANCY (STOREY) JENNINGS

I live in Hot Springs, AR with my husband. It will be our 48th wedding anniversary in September! We have five children and 13 grandchildren. I enjoy reading and I go to the gym every day, I like to collect salt and pepper shakers and shot glasses. We have visited Yellowstone Park, Orange Beach and Las Vegas. See you at the reunion!

LINDA (HOSEKI) GRETER

I graduated from Creighton St. Josephs School of Nursing in 1973 and worked in many different areas of nursing for 42 years and I am now retired.

My husband Don and I have three daughters and nine grandchildren and have traveled to many states over the 46 years of our marriage. We retired in the Colorado Springs area and we love to do activities outside. We have traveled to Europe and will travel to Alaska this year. I have only wonderful memories of the years at Notre Dame.

EILEEN DONAHUE

Last year I moved a few miles east to a small community, near my son and his wife, in Windsor, Colorado. So, I’m starting over decorating a home and creating gardens. I need to see flowers and birds outside my windows, as well as mountains.

I’ve been happily single for almost 30 years now. My three kids have children of their own – five grandkids total, and five great-grandkids (all boys).

I retired from the grocery business two years ago and now run a small business from my home crocheting hats, gloves, scarves, toys and gifts. I sell them mostly at craft shows in the fall. Therefore, my little three-bedroom home is actually one-bedroom and two craft rooms! I do a bit of sewing, painting and other crafts, putting my art degree to good use. This allows me time and funds to travel a bit.

I’ve been to Ireland three times, as well as Scotland, Wales, and England this year. Hope to get to Italy and Western Europe in the next few years, as long as I’m fortunate to have good health.

I can’t make it to the reunion, so I am looking forward to the Alumnae bulletin to see what’s new with my classmates who aren’t on Facebook.

PAT (NEUMANN) TWOREK

Following graduation, I entered St. Joseph’s Hospital School of Radiologic Technologists. My career in radiology began at St. Joe’s Children’s and Methodist Hospitals ending 35 years later with my retirement from CT scanning at Methodist Hospital.

In 1972, I married Frank Tworek and we have a wonderful family – having three children and seven grandchildren. We all travel annually to Minnesota in the summer for a week of fun, games and fishing! Frank and I have enjoyed many adventures as well as traveling all over the country with six dear friends of ours for the past 20 years. I have five brothers and four sisters, all of whom I enjoy spending time with.

Sr. Gabriel is to thank for my love of sewing! I often think of her when I’m at my machine and stumped over how best to complete a project. I mostly do quilt piecing but also enjoy making things for the house. I’m involved with a group that is making quilts and blankets for “safe houses” for women and their children.

Looking forward to seeing you all at the reunion!!

VIRGINIA (BOGATZ) TYLSKI

Craig and I live at Valley Shores near Valley, Ne. We returned here 13 years ago after having lived in many other places (California, Arizona, and Kansas). We have been married for 48 years. We have three sons, four granddaughters and one grandson ranging in age from 12 to 22.

My hobbies include walking, reading, gardening and volunteering at our church St. John’s in Valley.

I work on the Environmental Committee changing the church liturgical furnishings during the year. I also am an EMHC and help out in other ways as needed at Church. I am involved in the Christians Encounter Christ movement. We like to travel and have been to Italy, the Holy Land and Poland/Eastern Europe in the last few years. We have frequently traveled to many places here in the states. We are planning a trip to Greece in August.

I can’t make it to the reunion, so I am looking forward to the Alumnae bulletin to see what’s new with my classmates who aren’t on Facebook.

Looking forward to seeing you all at the reunion!!

NANCY SUE (CATIANO) BLAKENEY

I finally made the move to Florida! I transferred with Macy’s, where I worked for 28 years. It was a hard move at 70 years old, but I could no longer take the cold weather! I feel like I am on a permanent vacation!

I miss everyone in KC that I knew and am still kind of lonely, but, I love the beach! It will now be harder to get to a reunion, but I love the newsletters. You all are in my heart!
1969

MARGARET (SCHAB) KUBAT

When I graduated from UNO, Millard was the booming district. I was hired to open a brand-new library in Morton Elementary. I was a teacher-librarian/media specialist in the Millard Public Schools full-time for 32 years.

When I started in 1974, captioned filmstrips, records, and cassette tapes were the media of the day. If you were really on the forefront of technology, you had a machine that might automatically advance your filmstrip! My, how technology has evolved!!

In this my 45th year with the Millard Public Schools, I have remained the preferred sub for the Millard South Information Center, continued to supervise the afterschool library on Wednesdays, and I still score writing assessments for the Millard District.

When I’m not involved with school, you may find me greeting you during an evening visitation at Korisko Larkin Staskiewicz Funeral Home. I’m in my fourth year with the mortuary.

There are two of us who share the evening visitations/services. Louise and I both attended St. Stanislaus and have known each other since 1st grade, so we have no trouble deciding who is going to work and when.

Korisko Larkin Staskiewicz is located on 51st and F Street, and I grew up on 42nd and G Street, so I’m back in the “hood”.

The funeral home is a good ministry for me. You only have one chance to “get it right” as a family says goodbye to a loved one. It’s a privilege to watch over them during their visitation and vigil.

When I can find someone to travel with, I’m always game to go. I recently had the opportunity to visit the Holy Land on a tour that Cindy Nordel Sauer and her husband were on.

Over the years, Jane Feldman and I have traveled to National Parks with a tent. I’m down to North Dakota and Delaware as the only two states I haven’t seen.

There was a quote that stuck with me, “Whoever created the world went to a lot of trouble. It would be a downright shame not to go out and see as much of it as possible.”

JANIE (HARRINGTON) MASTERSON

Past 50 years? We have lived in Denver, CO since 1977!!

I graduated from Creighton St. Joe’s School of Nursing in 1972. I am still practicing nursing; 24 years in the emergency department, ten-plus years with my own nursing business of teaching CPR and health prevention clinics.

In between, I worked as an office manager for my husband’s dental practice. Tim sold his practice last year and retired this year.

We have three sons; one married, Sean (investor) with our two-year-old grandson (California); middle son, Ryan, graduated from medical school last month and will be completing his residency at Johns Hopkins!

Our youngest son, Devin, our one and only that went to Creighton University, works in the healthcare industry in Scottsdale. All great places to visit!

I am still loving skiing and road/mountain biking. I belong to a prayer group, book club and investment club!

We hope to travel more this year with my sister Margaret ‘68, her husband and my sister Patricia ‘60!!
